DATA, SYSTEMS & PROCESS DOCUMENTATION

Selected sample of working with business systems, maintaining accurate records, and documenting repeatable processes. These samples highlight CRM organization, employee data management, onboarding documentation, and clear process walkthroughs.

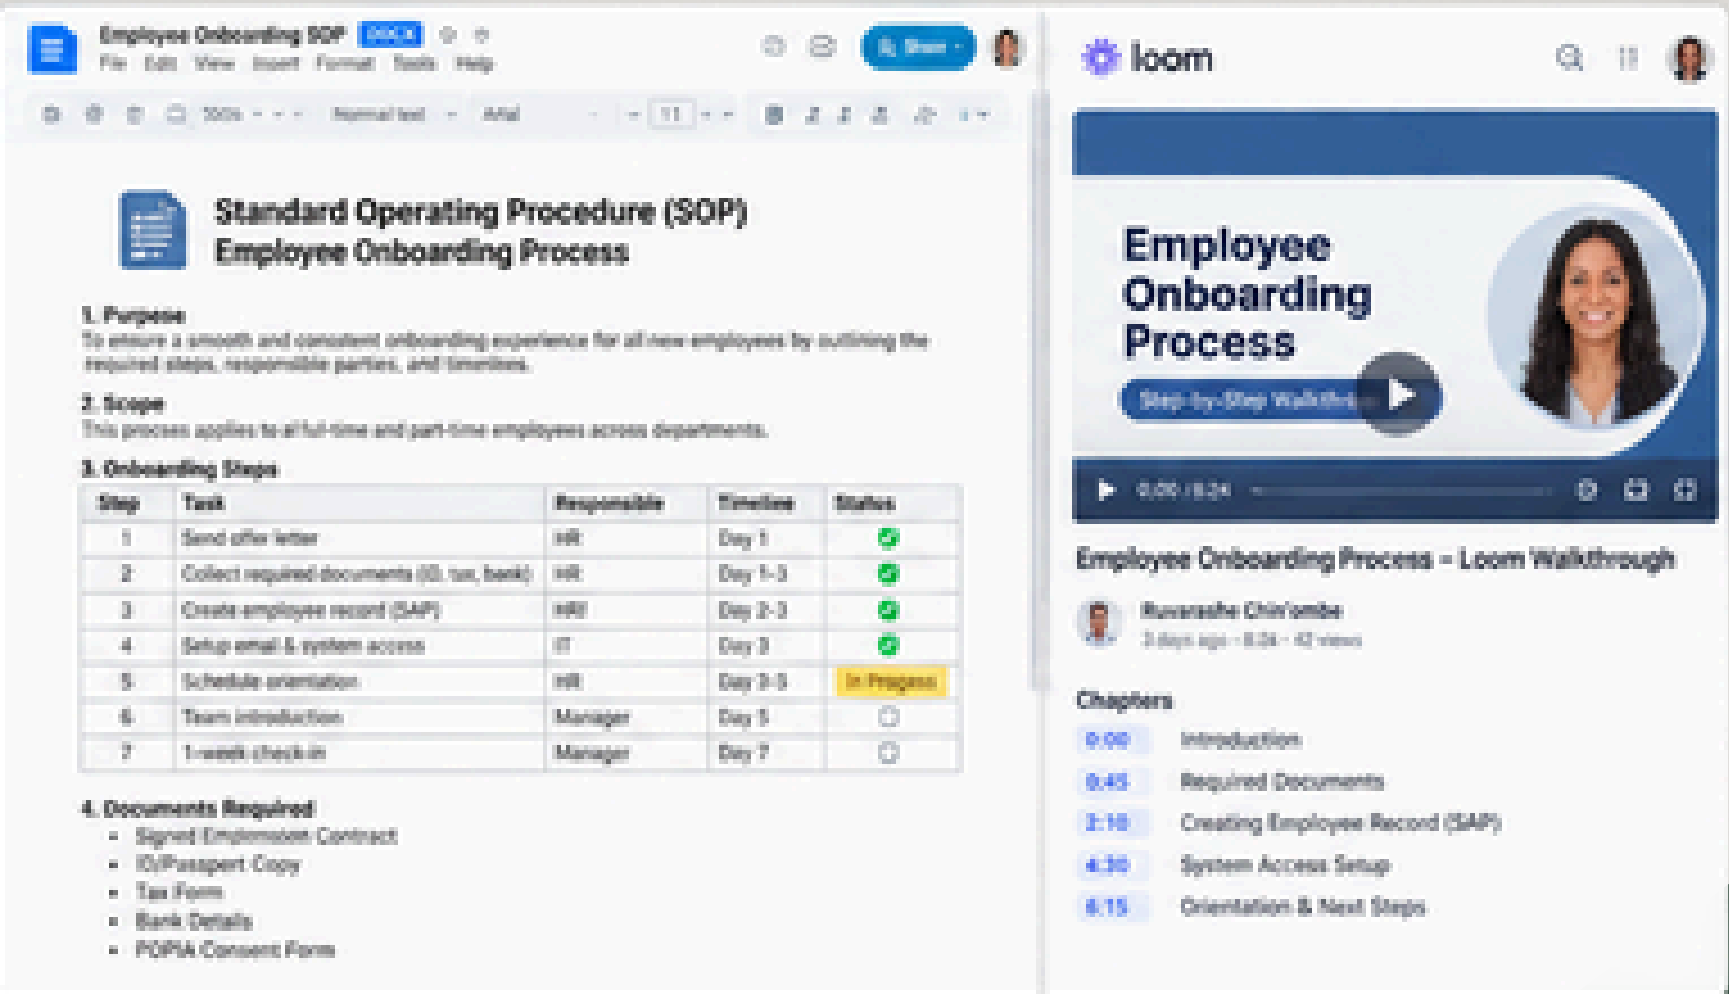

The screenshot shows the HubSpot CRM interface. On the left is a sidebar with navigation links: CRM, Contacts, Companies, Deals, Tasks, Tickets, Emails, Reports, Automations, Tools, Workspaces, Sales, Service, Marketing, and Operations. The main area displays a 'Contacts' list with 312 records. At the top, there are filters for 'All contacts', 'Clients (198)', 'Vendors (54)', 'Prospects (38)', and 'Inactive (22)'. Below these are search and filter options. The table lists contacts with columns for Name, Email, Company, Type, Status, Last activity, and Owner. The contacts listed are Sarah Turner, James Miller, Nomusa Dlamini, Daniel Kim, Mike Adams, Aisha Khan, Robert Chen, and Thandi M.

The screenshot shows the SAP SuccessFactors interface for an employee profile. The header includes the SAP logo and 'SuccessFactors'. The left sidebar has navigation links: Home, Employees, Employee Central, People Profile, Employment Details, Job Information, Compensation, Time Management, Reports, and Admin Center. The main area displays the profile for 'Thabo Mokoena' (Employee ID: 47291, Active). Below the profile are tabs for Overview, Job Information, Employment, Compensation, Time Off, Documents, and Notes. The 'Overview' tab is selected, showing personal information, position information, documents, recent activities, and workflow status.
